HANDZ-LEARNING

Handz-on Learning was founded by Claudine Storbeck, who has been working within the field of Deafness since 1992. In her years as Teacher of the Deaf, community interpreter, researcher, parent advisor and consultant she has battled to access the materials she has needed to fulfill her various roles. To overcome this challenge Claudine founded HOL in 2005 in order to provide access to resources and books on Deafness to the greater Deaf and Hard of Hearing community and their families within South and Southern Africa.

THE NATIONAL ACCESSIBILITY PORTAL

The National Accessibility Portal (NAP) is a five-year research & development project aimed at addressing the marginalisation of people with disabilities from the mainstream economy and society. The project was conceptualised and developed by the CSIR in partnership with a representative group of Disabled Persons' Organisations (DPOs) and the Office on the Status of Disabled Persons (OSDP) in the Presidency.

THE ROYAL INSTITUTE FOR THE BLIND

The Royal Institute for the Blind offers information, support and advice to over two million people with sight problems. Their pioneering work helps anyone with a sight problem – not just with Braille and Talking Books, but also with imaginative and practical solutions to everyday challenges. They fight for equal rights for people with sight problems, and have helped fund pioneering research into preventing and treating eye disease.
